Donor Advised Fund

- Internal Revenue Code Section 4966(d)(2) defines a donor-advised fund or "DAF" as a "fund or account--
 - which is separately identified by reference to contributions of a donor or donors,
 - which is owned and controlled by a sponsoring organization, and
 - with respect to which a donor (or any person appointed or designated by such donor) has, or reasonably expects to have, advisory privileges with respect to the distribution or investment of amounts held in such fund or account by reason of the donor's status as a donor."
