

88TH LEGISLATIVE SESSION UPDATE

THURSDAY, FEBRUARY 15, 2024

1

2

HB 3 **EFFECTIVE 9/1/2023**

- Requires the commissioner to adopt facilities standards for new and existing instructional facilities to ensure a safe and secure environment
- Requires school employees to complete a mental health training program on recognizing and supporting children and youth experiencing mental health or substance abuse issues that may pose a threat to school safety
- Requires districts to provide a student's disciplinary record and any threat assessment when the student seeks to enroll in another district
- Requires school districts to have an armed police officer, or a commissioned peace officer, present at every campus during regular school hours but allows them to claim a good cause exception if needed
- Requires districts to notify parents of violent activity that occurred or is being investigated at a campus

3

HB 3 **EFFECTIVE 9/1/2023**

- Requires schools to establish a clear procedure for a student to report concerning behavior exhibited by another student for threat assessment
- Requires districts to provide maps of all campuses to DPS and local law enforcement agencies
- Makes documents related to school safety facilities requirements confidential and not subject to disclosure under the Public Information Act
- Allows districts to require identification from a person entering any district property
- Sets the school safety allotment at \$10 per student, with a \$1 increase for every \$50 increase in the basic allotment, plus \$15,000 per district campus, and allows funds to be used to secure facilities and employ a school safety director

4

Model Standards for Parental Notification

- | | |
|--|--|
| <p>01 School districts must adopt a policy related to timely parental notification of violent activity</p> <p>02 Policy must include electronic notification by email and text, an option for real-time notification, and protect student privacy</p> <p>03 Notification should be for incidents that pose a serious or continuing threat to campus</p> | <p>04 Which incidents require notification is a local decision based on local needs, but once notification is required by policy, it must be provided</p> <p>05 School districts should utilize standardized notifications for incidents.</p> <p>06 Examples provided for: evacuation, severe weather, lockdown, dangerous situation (e.g. fire or gas leak), social media threat, report of a weapon on campus, voicemail threat</p> |
|--|--|
