“

The amount of credit and ethics hours is a great value!

Best selection of topics of any admin law seminar that I have attended.

Informative program. This is probably the best one I've attended.

The topics and presentations ran a good spectrum of practical to digging deep on special topics.

This conference had the best ethics presentations that I have seen and participated in during the 25 years I have been licensed.

Thank you for UT Law CLE's contribution to the administrative law practice.

The speakers were very good and their experience and abilities make the difference for this advanced course.
