Nice variety of topics with great and knowledgeable speakers.

Excellent program! High quality speakers, leading edge topics and I like the networking opportunities.

Topics are very informative and relevant to my practice.

Best CLE program I have ever attended.

That's 30 years worth of CLE (all non-Texas). Substance is excellent, as are the speakers.

Format works very well, because the attendee never gets bored and the pace moves along.

Good mix of useful subjects with competent and engaging speakers.
