2:30 pm 1.00 hr	Remote Workers: Not as Simple as You Think Employers have good reasons to allow or expand the use of remote workers but many fail to recon and plan for unfamiliar legal requirements in their new territories. States, counties, and municipalities are regulating employer conduct and a single employee in a city or state can trigger an avalanche of obligations and penalties for the unwary. This checklist approach will help identify the traps awaiting employers who expand without a plan. Christopher H. Hahn, Dell Technologies - Round Rock, TX Materials By: Audrey E. Mross, Munck Wilson Mandala, LLP - Dallas, TX

Ethics: Can We Talk?

This session explores the limits on attorney communication with employees, former employees, and other potential witnesses in the context of employment litigation. Special attention will be given to the ethical considerations associated with joint representation of a party and a potential witness, including concerns surrounding the use of such representation to limit the ability of the other side to communicate with a potential witness.
