WHY JOIN NAELA

The National Academy of Elder Law Attorneys is a nonprofit association that assists lawyers, bar organizations and others who work with older clients and their families. Established in 1987, the Academy provides a resource of information, education, networking and assistance to those who deal with the many specialized issues involved with legal services to the elderly and disabled.

The Texas Chapter of the National Academy of Elder Law Attorneys was formed in 1995. Membership is available only to attorneys who are members of the national organization (NAELA), and are licensed in the state of Texas. Texas NAELA provides continuing legal education and advocacy to promote and protect the needs of seniors and people with disabilities in Texas.

Benefits of Membership

In addition to providing an important distinction by demonstrating your dedication to elder law and special needs planning and the communities which you serve, membership in the Texas NAELA Chapter also benefits you and your practice:

- **Discussion Lists:** By subscribing to the national and local listservs, members draw on feedback from across the state and around the country.
- **Education Programming and Networking Opportunities:** Our two yearly in-person meetings provide professional education and offer the opportunity to network with elder law colleagues from across the state as well as professionals in related fields.
- **Chapter Newsletter and Website:** In addition to chapter updates, these resources bring our members the latest in elder law and special needs planning trends and court decisions, updates on state and national legislative and regulatory changes, and practice tips on current topics of interest.
- **Membership Directory:** Our Member Directory is on our website, and is searched by consumers seeking legal counsel.
- **Public Policy:** Through our public policy initiatives, your voice is heard in local, state, and national legislative and regulatory issues.
- **Join a Committee:** There are several working committees and we encourage your participation to further enjoy the networking opportunities the Texas NAELA has to offer. Committees include: By-Laws, Communications, Enforcement, Finance, Litigation, Membership, Newsletter, Peer Review, Professional Relations, and Website.
