<p>3:00 pm 1.00 hr</p>	<p>Joint Venture Governance and Business Opportunity Issues</p> <p>Joint ventures are an increasingly common vehicle for combining businesses. The continuing nature of a joint venture raises unique issues regarding the governance of the joint venture and its relationship to the other businesses of the joint venture partners. Examine alternatives for joint venture governance and the extent to which the joint ventures are obligated (by law or contract) to offer "business opportunities" to the joint venture or each other. These issues are typically addressed when the joint venture documents are negotiated, but operations under even the best documents can present unforeseen issues, including some that arise as a result of subsequent case law.</p> <p>Moderator: Byron F. Egan, Jackson Walker L.L.P. - Dallas, TX</p> <p>Panelists: Gemma L. Descoteaux, Polsinelli PC - Dallas, TX Tom D.
