

EXCLUSIVE RECEPTION SPONSOR

Scott Douglass & McConnico LLP | scottdoug.com/

Scott Douglass & McConnico, LLP (“SDM”) is a firm of seasoned trial lawyers. We seek the most strategic and cost-effective resolution for our clients’ issues, whether in a contract dispute, a professional malpractice claim, a tax dispute, or an oil and gas dispute. Our attorneys’ vast courtroom experience and deep subject-matter expertise distinguishes SDM from other litigation firms, as does our nationally-recognized appellate practice. SDM also has one of the largest administrative law practices in the state, including oil and gas and energy issues at the Railroad Commission, the General Land Office, and University Lands, state tax matters before the Comptroller’s Office, and related lawsuits and appeals.

EXCLUSIVE WEBCAST

SANTOYO WEHMEYER P.C.
ENERGY ATTORNEYS

Santoyo Wehmeyer P.C. | swenergylaw.com/

Founded by experienced, board-certified oil and gas attorneys, Santoyo Wehmeyer P.C. provides comprehensive and cost-effective legal services to clients in the energy sector with a focus in Texas. The Firm, located in San Antonio, represents publicly traded and privately owned exploration and production companies, working interest owners, drilling contractors, oil field service vendors, pipeline companies, refiners, high-wealth mineral owners and financial institutions.

The full suite of energy services offered includes upstream acquisition and divestitures, leasing and operational counsel, due diligence, high-stakes commercial energy and real property litigation/arbitration and title examination.

INSTITUTE

Davis, Gerald & Cremer PC | dgclaw.com/

Davis Gerald & Cremer is an oil and gas firm headquartered in Midland with a growing office in Austin. Its lawyers handle trials and appeals of oil and gas lawsuits, perform title examination, provide regulatory counsel and advocacy before the Railroad Commission of Texas and the General Land Office, and advise clients in transactions involving oil and gas properties. While our lawyers are based in Midland and Austin, we handle cases around the state.

HOGAN THOMPSON SCHUELKE
LLP

Hogan Thompson Schuelke LLP | hoganthompson.com/

Hogan Thompson Schuelke LLP is a Houston-based commercial litigation boutique with a focus on the energy industry. Since its founding in 2020, Hogan Thompson Schuelke has rapidly grown from two founding partners to an eight-attorney team representing clients nationwide. Our clients include Fortune 500 companies, mid-sized businesses, and individuals across the country. We excel at resolving complex legal disputes in upstream and midstream oil and gas, construction related to energy projects, and renewable energy—with the goal of getting the best results possible for our clients' businesses. Our key areas of focus include oil and gas litigation, shale litigation, and royalty litigation. To learn more, visit www.hoganthompson.com.

Locke Lord LLP | lockelord.com

The roots of Locke Lord's extensive energy experience date back to the firm's founding. Locke Lord provides full service capabilities to our clients in every discipline of the energy business, including mergers and acquisitions, asset acquisitions and dispositions, operations, contracts, joint ventures, private equity, capital markets, finance, regulatory, litigation and dispute resolution, project development, environmental, tax, real estate, labor and employment, intellectual property and bankruptcy, restructuring and insolvency.

Whether our clients' business involves exploration and production, gathering, storage and processing, refining, power generation, alternative and renewable energy, trading and marketing or providing services and equipment to the industry, our team brings its vast knowledge and experience to bear. We know the energy business inside and out. We serve as trusted advisors to our clients from the most complex of transactions and disputes to day-to-day operational needs.

50TH ANNUAL
ERNEST E. SMITH OIL, GAS AND MINERAL LAW INSTITUTE

McElroy, Sullivan, Miller & Weber, LLP | msmtx.com/

McElroy, Sullivan, Miller & Weber, LLP was founded over 35 years ago. We represent clients in a wide range of matters involving oil and gas, natural resources, water, and environmental law. Our attorneys practice in state and federal trial and appellate courts and before numerous state and federal agencies including the Railroad Commission of Texas, the Texas Commission on Environmental Quality, the Texas General Land Office and the U.S. Environmental Protection Agency. Our attorneys bring a unique blend of courtroom and agency experience and technical knowledge to assist our clients in all aspects of their energy, environmental and water law matters. Our attorneys have handled civil trials and appeals helping to shape Texas oil and gas case law. All of our lawyers are driven to achieve the best result in the shortest time possible. We work hard to find creative, efficient and inexpensive solutions to our clients' complex legal issues.

MCGINNIS LOCHRIDGE
we're in it together®

McGinnis Lochridge | mcginnislaw.com

McGinnis Lochridge is a Texas-based firm with offices in Austin, Houston, Dallas, and Decatur providing quality legal services for more than 90 years. We represent clients throughout the petroleum industry in Texas and across the country. We represent major oil and gas companies, independents and landowners in disputes and lawsuits, ranging from individual tract claims to nationwide class actions. Building on a firm history dating back nearly a century, McGinnis Lochridge lawyers have dealt with the developing issues in unconventional shale plays throughout Texas and North America. Our work in the unconventional shale plays in South Texas and the Permian Basin builds on decades of a strong firm presence in courtrooms throughout South Texas and West Texas. We also work regularly with Texas governmental agencies including the Railroad Commission of Texas (RRC) and the Texas Commission of Environmental Quality (TCEQ), as well as local municipalities and water districts.
