8:20 am	<p>Welcoming Remarks</p>
8:30 am 0.75 hr	<p>Recent Developments in Claims Construction</p> <p>The baseline of patent application preparation/prosecution, district court trials, Federal Circuit appeals, and AIA post-grant review proceedings, is claim construction. Review of important 2018/2019 claim construction cases and issues at the Federal Circuit and trial court levels, as well as at the PTAB. And examine the PTAB's procedural and substantive claim construction "rules, practices, and etc.," including the PTAB's adoption of <i>Phillips</i> construction under all circumstances, and rule and practice changes to mandate PTAB consideration of claim constructions from other proceedings.</p> <p>Kenneth R. Adamo, Law Office of KRadamo - Chicago, IL</p>
9:15 am 0.75 hr	<p>Alice at Five: Section 101 Update</p> <p>Five years ago, the Supreme Court's <i>Alice</i> decision significantly changed the landscape for patent eligible subject matter. Has the sky fallen? Has the pendulum swung back towards more eligibility for computer software and life sciences patents? And what will Congress do about it all? Hear the latest Section 101 developments, including recent cases, legislative proposals, and their implications and best practices for patent prosecutors and litigators.</p> <p>Steve Borgman, Vinson & Elkins LLP - Houston, TX Sharon A. Israel, Shook, Hardy & Bacon L.L.P. - Houston, TX Michael W. Piper, Conley Rose, PC - Plano, TX Gina N. Shishima, Norton Rose Fulbright - Austin, TX Janice Le Ta, Baker Botts - Austin, TX</p>

10:15 am 1.00 hr	<p>Section 101 in Two Realms: Where We Are and Where We Might Be Going in Life Sciences and in Software</p> <p>Gain practical prosecution suggestions based on the current PTO guidelines and developing case law as they are meeting the real world in bio/pharma and in software/business methods. Plus, explore current efforts to change the law through Congress, as well as issues in enforcement.</p> <p>Steve Borgman, Vinson & Elkins LLP - Houston, TX Sharon A. Israel, Shook, Hardy & Bacon L.L.P. - Houston, TX Michael W. Piper, Conley Rose, PC - Plano, TX Gina N. Shishima, Norton Rose Fulbright - Austin, TX Janice Le Ta, Baker Botts - Austin, TX</p>
11:15 am 0.50 hr	<p>Prosecuting Patents to Survive Post-Grant Proceedings</p> <p>Once infamously branded a “death squad” for patents, the PTAB can be a scary place for patentees faced with petitions for post-grant review. Examine PTAB-proofing techniques that patent practitioners should consider at each stage of the application drafting and prosecution process.</p> <p>Kenneth Darby, Fish & Richardson P.C. - Austin, TX Co-Author: Aruna Ghatak-Roy, Dickinson Wright PLLC - Austin, TX</p>
11:45 am 0.50 hr	<p>Patents, Open Source, and Standards: An Emerging Landscape</p> <p>Open source software development and standards development are converging, but come from disparate development traditions or freewheeling copyright licensing and deliberate patent cross licensing. How can the two work together? Examine the landscape that is coming as the two collide—or comingle.</p> <p>Heather J. Meeker, O'Melveny & Myers LLP and OSS Capital - Oakland, CA</p>
