**Energy Insecurity and Other Issues for  
Underserved Communities**

Hear a review of how energy costs impact low income communities and how certain policies or lack thereof impact those same communities. Also explore recent policy changes including the COVID energy relief program in Texas and other policies that affect retail energy providers and their vulnerable residential customers in Texas.

Carrie Collier-Brown, Locke Lord LLP, Austin, TX  
Dana Harmon, Texas Energy Poverty Research  
Institute, Austin, TX

**1:15 p.m. 5-Minute Break**

**1:20 p.m. .75 hr**

**Capturing the Renewable Energy Potential  
of Landfill and Brownfield Sites**

Explore the use of landfill sites and sites with a history of industrial use, including Brownfield and Superfund sites, for the production of renewable energy, including solar power installations and landfill gas-to-energy projects, focusing on environmental considerations associated with siting renewable projects at these sites.

Aileen M. Hooks, Baker Botts, Austin, TX

**2:05 p.m. 5-Minute Break**

**2:10 p.m. .75 hr**

**ERCOT Panel**

As the resource mix of generation in development changes, we encounter both challenges like limitations of the existing transmission grid and the fluctuating reserve margin, as well as opportunities to continue to advance the market like real-time co-optimization and integration of battery energy storage projects. Explore how ERCOT and utilities coordinate to integrate new technology onto the grid and the opportunities and challenges they see in planning as the grid rapidly changes.

**Moderator:**

Caitlin Smith, AB Power Advisors, Austin, TX

**Panelists:**

Warren Lasher, Electric Reliability Council of Texas,

**Bordering on the Edge: Multijurisdictional Practice Issues For Inside and Outside Counsel**

None of us has a practice that is confined to a single state. We're all working on matters across the country all the time. Our clients need our knowledge and experience, and there's certainly nothing wrong in handling deals in other states where we're not licensed as long as we have some involvement by a local lawyer, right? Wait! Are you really sure that this is the right "ethical" answer? Nationally-renowned speaker Mike Rubin, with his unique blend of scholarship and humor and with one of the most unusual multimedia presentations you'll ever see, will challenge your thinking, raise issues to ponder, and give you something to smile about.

Michael H. Rubin, McGlinchey Stafford PLLC, Baton Rouge, LA

4:00 p.m. Adjourn

**RENEWABLE ENERGY LAW ESSENTIALS:**

All attendees will receive the accredited video and materials in "Your Briefcase" on the first day of the conference. The sessions provide an additional 2.00 hrs of accredited MCLE credit.

Are you a 1<sup>st</sup> or 2<sup>nd</sup> year attorney? Attend most UT Law CLE conferences for just \$150!
