<p>9:45 am 0.50 hr</p>	<p>Top 10 Construction Loan Provisions</p> <p>An overview of key provisions in project finance construction loan agreements with respect to renewable energy projects. Hear a high-level overview of the structure of a construction loan agreement and highlights of major pitfalls for both lenders and borrowers</p> <p>Darin Lowder, Foley & Lardner LLP - Washington, DC</p>
<p>10:15 am</p>	<p>15-Minute Break</p>

10:30 am 1.00 hr 0.25 hr ethics	<p>Development-Stage Renewable Energy Project Acquisitions</p> <p>The purchase or sale of a renewable energy project while it is in development presents a unique set of issues, such as a success and royalty based purchase price, buy back rights, build out restrictions, shared facilities and what closing conditions will be required. This panel will discuss these issues and more, particularly in light of an ever increasingly competitive market.</p> <p>Matt Bonovich, Sheppard Mullin - Chicago, IL Andrea Lucan, Allen & Overy - Los Angeles, CA J.D. Rubin, Acciona Energy - Chicago, IL</p>
11:30 am 0.75 hr	<p>Impacts of Supply Chain Issues and Governmental Policy on Project Development</p> <p>An in-depth discussion of the significant impacts that supply chain issues and certain governmental policies have had on the development of renewables and storage projects in the United States over the past year. Address supply chain market and pricing issues, as well as policy and force majeure dynamics.</p> <p>Rohit Sachdev, Orrick, Herrington & Sutcliffe LLP - San Francisco, CA Adam Larner, Primergy Solar - Oakland, CA Deepa Ananthakrishnan, Primergy Solar - Richmond, CA</p>
12:15 pm In Austin Only	<p>Pick up Lunch</p>

Wednesday Afternoon

Presiding Officer:

Dawn M. Lewallen, First American Title Insurance Company - Houston, TX

Luncheon Presentation

12:45 pm 0.50 hr	<p>Geopolitics and Extreme Weather Impacts on the Energy Markets</p> <p>We are in an energy crisis, security crisis and climate crisis simultaneously, which is roiling energy markets, creating undue suffering, but opening up an opportunity for rapid transition.</p> <p>Michael E. Webber, The University of Texas Mechanical Engineering Department - Austin, TX</p>
1:15 pm	<p>Break</p>
1:30 pm 1.00 hr ethics	<p>Ethical Obligations in Negotiations</p> <p>A foundational discussion about how you, as Counsel, accomplish your objectives and meet your goals while acting legally and ethically during negotiations. Reinforces the professional responsibility a lawyer must maintain when faced with ethical dilemmas in negotiations in order to identify: (1) the balance between a lawyer's obligations of honesty and candor with client advocacy; (2) best practices in negotiations; and (3) the application of the ABA Model Rules of Professional Conduct in legal negotiations.</p> <p>Jamie Lavergne Bryan, K&L Gates LLP - Fort Worth & Houston, TX</p>

2:30 pm
0.75 hr

Trends and Recent Activity - Hydrogen Energy Projects

Recent years have seen significant global interest and momentum in the use of hydrogen to decarbonize across sectors. Listen to an overview of trends and recent activity surrounding hydrogen energy projects, including recent US hydrogen policy, the potential for hydrogen to reduce emissions, and a discussion of the risks and opportunities for expansion of hydrogen production and use.

Emily Beagle, Webber Energy Group - University of Texas at Austin - Austin, TX

3:15 pm
0.75 hr

Trends/Updates and Legal Issues - Offshore Wind Projects - Eastern U.S., Western U.S., Gulf of Mexico

The presentation will provide an update on offshore wind projects in the United States, including lease sales and project regulatory approval. The presentation will also include a discussion of the BOEM regulatory, Jones Act, and applicable law issues faced in offshore wind projects.

Cindy Muller, Jones Walker LLP - Houston, TX
