CHAPTER 1

**Tell me a
story:**

*"I've learned
that people will
forget what you
said, people will
forget what you
did, but people
will never forget
how you made
them feel."*

—Maya Angelou

The Bible
undoubtedly
began as oral
tradition.

Stories may or
may not be
completely
accurate but

they must be
undeniably true
in order to
impart their
magical
qualities on the
human heart
and mind.

“They touch something
that is human in us and
is probably unchanging.
Perhaps this is why the
important knowledge is
passes through stories.
It’s what holds a culture
together. Culture has a
story, and every person
in it participates in that
story. **The world is
made up of stories; it
is not made up of
facts.**”
