LGC Chapter 284

- Chapter 284 of the Local Government Code - effective Sept. 1, 2017.
- Allows network nodes to be in the right-of-way without a grant of authority from the local government.

Let's Review - What is a Network Node?

- From Chapter 284:

"Network node" means equipment at a fixed location that enables wireless communications between user equipment and a communications network and **includes**:
