CLE

Continuing
Legal Education

Funder Collaboration

Individual donors, family and corporate foundations, large national foundations, and other funders coming together to pool resources, align grantmaking decisions, pursue common objectives or a common goal.

Why Collaborate

- Shared Knowledge
- Efficiency
- Increased Impact
 - Magnify each partner's contributions
 - Expanded reach/timeframe
 - Aggregation of capital
- Formalized/Deliberative Decision Making
- New approaches/strategies
- Risk mitigation/sharing
- Brand Identity / PR

Models

- Information Exchange /Co-learning
- Strategic Alignment
- Co-Funding
- Pooled Funding
 - New Entity
 - New Program of Existing Charity
 - Fiscal Sponsor
- Complex Networks

Common Challenges

- Shared Goals
- Accountability
- Evaluating Success
- Risk calibration
- Navigating Intellectual Property
- Control / Power
- Principal Commitment
- Exit Strategy

Information Exchange

- Strengths
 - Flexible
 - Efficient
 - Low-risk
- Issues
 - Confidentiality
 - Roles/Expectations
 - Common Purpose
 - Brand / Identity
 - Evaluation
