Mineral Ownership: The Basics

3

Mineral Ownership 101

- Two estates:
  - Mineral Estate
  - Surface Estate
- Like the Surface Estate, the Mineral Estate can be owned by multiple people
- Different levels of rights
  - Executive Rights = Leasing Rights
  - Royalty Interest Only = No Leasing Rights

Mineral Estate is Dominant

- What does it mean to be dominant?
  - Right to use as much of the surface, subsurface, and adjacent airspace as reasonably necessary to enjoy the mineral estate
  - Mineral Estate defeats Surface Estate in the event of any conflict
- Broad, implied rights to use the surface

Limits on Mineral Ownership

- Reasonable uses
- Accommodation Doctrine
- Benefit minerals under the land
- Compliance with law, regulations, ordinances, rules, lease provisions
