

HOW DO YOU BREAK THROUGH THE  
BARRIERS AND GET A BIG VERDICT?

RULE #1:  
Stop thinking  
of it as a "small  
damages" case

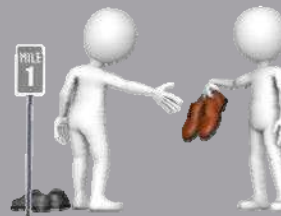

Find Ways to build your damages

## GET TO KNOW YOUR CLIENT

ACTUALLY SPEND TIME WITH THEM FACE TO FACE

IT IS AN HONOR TO REPRESENT SOMEONE

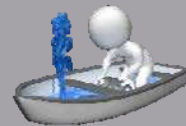

YOU MUST KNOW THEIR VOICE  
TO BE THEIR VOICE IN COURT

## GREATEST LOSS TO YOUR CLIENT?

- Fear
- All Alone
- Missed opportunities (eg: kids football games)
- Gained weight
- Not being able to bathe children
- Dependency

LIVING PAYCHECK TO PAYCHECK,  
EVEN A SMALL SET BACK  
CAN SINK A SHIP.

## INVESTIGATE THOROUGHLY

TALK TO IMPACT WITNESSES

- FRIENDS
- FAMILY
- CO-WORKERS

(Most often where I discover the  
impact of a head injury)
