TEXAS HOME AND COMMUNITY-BASED SUPPORTS AND SERVICES

1. Community Living Assistance and Support Services (CLASS)

CLASS provides home- and community-based services to people with related conditions as a cost-effective alternative to placement in an intermediate care facility for individuals with an intellectual disability or a related condition (ICF/IID). A related condition is a disability, other than an intellectual disability, that originated before age 22 and that affects a person's ability to function in daily life.

Note: This service may not be available right away. Your name may be placed on an interest list. You will be contacted when services are available.

[The Consumer Directed Services \(CDS\) option is available for some services in this program.](#)

2. Home and Community-based Services

Note: This service may not be available right away. Your name may be placed on an interest list. You will be contacted when services are available.

The Home and Community-based Services (HCS) program provides individualized services and supports to people with intellectual disabilities who are living with their families, in their own homes or in other community settings, such as small group homes where no more than four people live. The local authority provides service coordination.
