

State Water Planning Update

Matt Nelson, Assistant Deputy Executive Administrator
Texas Water Development Board

presented November 4, 2016 to
UT Texas Water Law Institute

The following presentation is based upon professional research and analysis within the scope of the Texas Water Development Board's statutory responsibilities and priorities but, unless specifically noted, does not necessarily reflect official Board positions or decisions.

TWDB Mission

**To provide leadership, information, education,
and support for planning, financial assistance, and
outreach for the conservation and responsible
development of water for Texas**

Summary

- planning schedule
- rulemaking
- 3 new methodologies for projections
- groundwater availability
- utility-based planning
- rural municipal water users

regional water planning

fifth cycle regional water planning schedule
