I. Overview of the Investment Landscape

Investing Can Get Emotional

Investment
Management
Division

S&P 500 – December 31, 1990 to December 8, 2017

- A thoughtful investment process can reduce the emotions that arise in investing and can give a board “staying power” in challenging market environments.

LONG Bull Market and Recovery

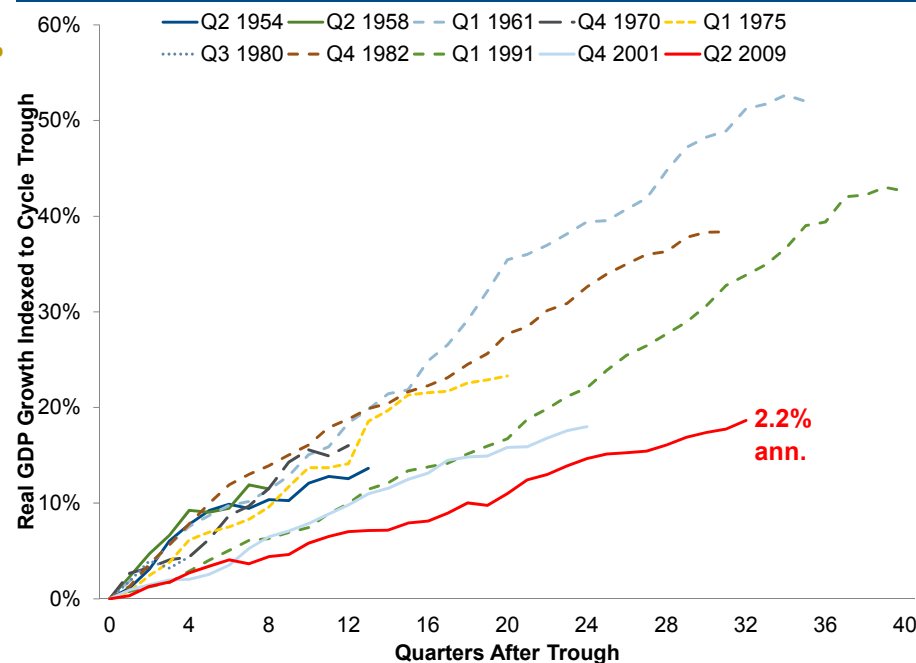

Investment
Management
Division

Goldman
Sachs

1. US Equity Bull Market Returns – As of Dec. 8, 2017

2. Growth in US Real GDP Across Post-WWII Expansions

- This bull market is in its 8th year, second only to the almost 10-year rally preceding the tech bubble.
- This economic recovery represents the third longest, but also the slowest recovery in the post-WWII period.
