PERCEPTION

REALITY

After it was graded and the child brought it home, she returned to school the next day with the following note:

Dear Ms. Davis,

I want to be very clear on my child's illustration. It is NOT of me on a dance pole on a stage in a strip joint. I work at a hardware store and had commented to my daughter how much money we made in the recent snow-storm... This drawing is of me selling a shovel.

Mrs. Harrington
