

Case Strategy Phase II

What Does “America First” Mean
For the Immigration Practitioner?

Presented by Mona Gupta & George Rodriguez

Trump's Inaugural Address (1/25/17)

“...from this day forward it will be America first”...“Every decision on trade, on taxes, on *immigration*...will be made to benefit American workers and American families.”

Practice With Paranoia

- * Review your contracts/~~signed~~ waivers/CYA
- * Review your intake forms
 - * Public Benefits/Mental Health/Drug Use/Tatts
- * Review your processes – mail, paranoid LAs.
- * Review your modus operandi with information you provide
 - Use disclosures, be clear about dangers, costs, etc...
 - breakdown your charges by steps (Con Pro cases – what's true today may not be true tomorrow)
- * IOLTA/Trust account issues
- * Add supplements, briefs, & **overkill the evidence**
- * Re-read instructions & case law
- * Join groups with local immigration practitioners or have your “squad” that you can rely on.

- **Vetting process at Consulate & POEs increased w/out justification**
 - Suspended refugee resettlement program for 120 days
 - Calls for new vetting standards at Consulate Posts.
 - Creates **DS-5535** – imposing restrictions on foreign travelers who are not part of the travel ban and **requires disclosure of social media identifiers.**

Sec. 5 - Implementing Uniform Screening & Vetting Standards for All Immigration Programs

- **CBP is now collecting social media information** and has increased searches of electronic devices. (Officer probably does not have a good sense of humor – no memes).
- **USCIS is searching social media** for applicants looking for potential fraud. (A lot of officers are being hired from CBP – see sense of humor above).
