

Top health industry issues of 2019: The New Health Economy comes of age

UT Health Law Conference
March 28, 2019

What is the New Health Economy?

New Health Economy

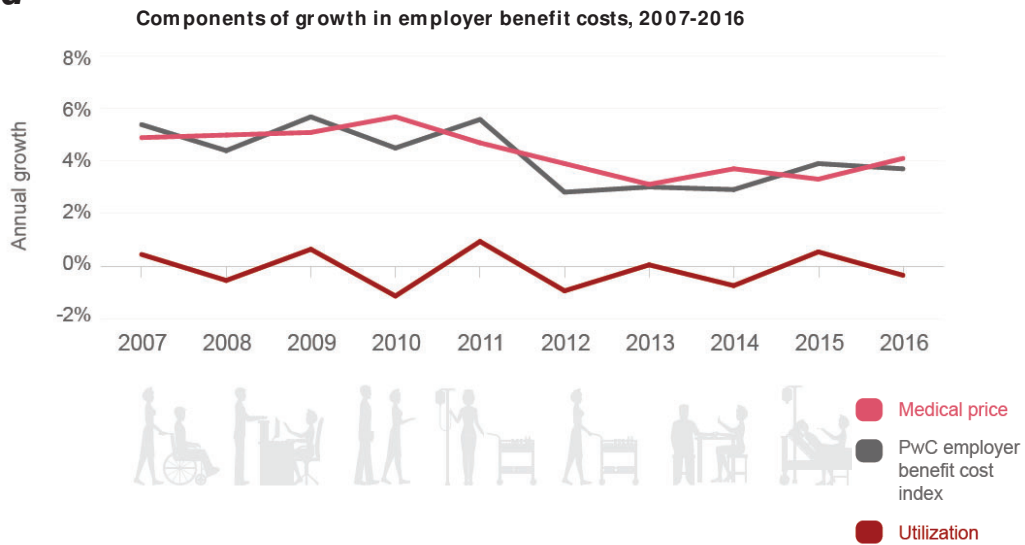

Altered funds flow 

New care delivery models 

Realignment of existing players 

Disruption by new entrants 

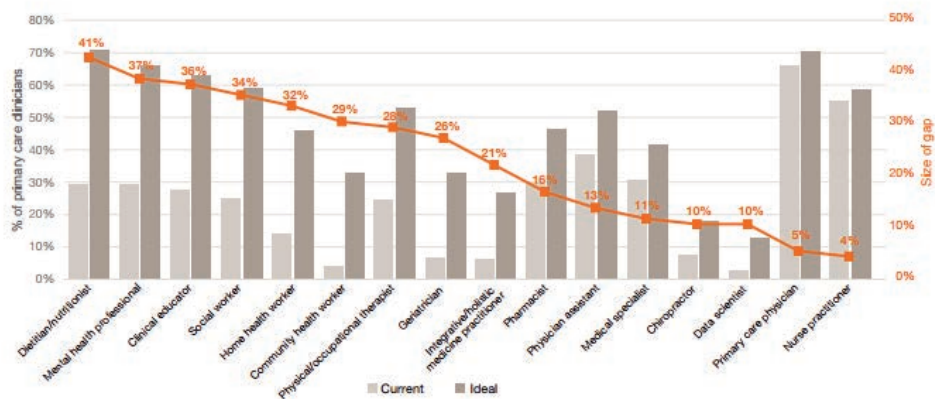

The big picture - price continues to be the major driver of medical cost trend

Source: PwC Health Research Institute analysis of Bureau of Labor and Statistics data

Clinicians desire broader care teams

Affordability aside, which of the following professionals are on your primary care team today/would be on your ideal primary care team? Please select all that apply.
