

# *Top health industry issues of 2019: The New Health Economy comes of age*

UT Health Law Conference  
March 28, 2019

## *What is the New Health Economy?*

### *New Health Economy*

Altered funds flow 

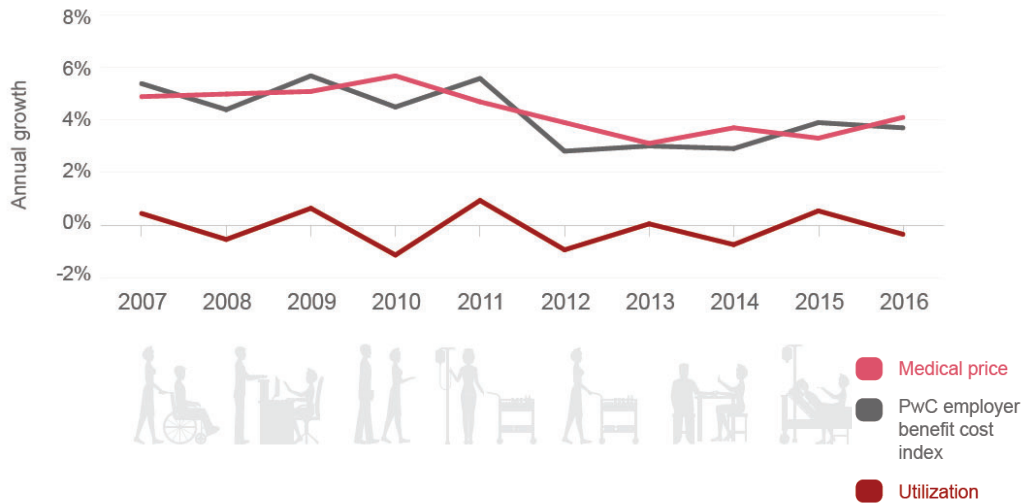

New care delivery models 

Realignment of existing players 

Disruption by new entrants 

# The big picture - price continues to be the major driver of medical cost trend

Components of growth in employer benefit costs, 2007-2016

Source: PwC Health Research Institute analysis of Bureau of Labor and Statistics data

# Clinicians desire broader care teams

Affordability aside, which of the following professionals are on your primary care team today/would be on your ideal primary care team? Please select all that apply.
