- ▶ Eliminated the cost and need to call an expert live to testify.
- ▶ Done through an affidavit.
- ▶ Can be controverted by affidavit.
- ▶ Controverting affidavit negates the effect of the initial affidavit and forces the proponent to call expert testimony (or by other means) and operates to increase litigation cost.
- ▶ If not controverted, supports finding of fact and bars conflicting evidence.
- ▶ Does NOT conclusively establish amount of damages as a matter of law.
- ▶ Not limited to medical services, covers "services" generally.
