

Judicial Deference to Agency Interpretations

“The reports of my death are
greatly exaggerated.”

1

First things first:

What type of deference are we talking about?

2

Chevron Deference

Federal doctrine establishing when the courts should defer to a government agency's interpretation, adopted through formal rulemaking or adjudicatory hearing, of a statute it is charged with enforcing

Skidmore Deference

Federal doctrine establishing when the courts should defer to a government agency's interpretation, adopted other than through formal rulemaking or adjudicatory hearing, of a statute it is charged with enforcing (e.g., policy statements, opinion letters, guidelines)
