Sorry. **May** I appeal?

- In general, there is ***no inherent right*** to appeal agency decisions
- Need **waiver of sovereign immunity** and **cause of action**
- Texas rights to appeal AO:
 1. Statutory route
 - Final orders in contested cases under the APA; or
 - Agency's organic statute
 2. Order adversely affect a vested property right or violates a constitutional right

If not a person, stop here

- **Federal APA (5 USC § 702):** “A person suffering legal wrong because of agency action, or adversely affected or aggrieved by agency action within the meaning of a relevant statute, is entitled to judicial review thereof.”
 - *Exception: Statute precludes review or committed to agency discretion by law*
- **Texas APA (Tex. Gov't Code § 2001.171):** “A person who has exhausted all administrative remedies available within a state agency and who is aggrieved by a final decision in a contested case is entitled to judicial review.”
