PTC and ITC

- **Production Tax Credit (PTC)**
 - Section 45 of the Internal Revenue Code provides a production tax credit for wind and other renewable energy facilities. The amount of PTC available depends on when construction begins.
- **Investment Tax Credit (ITC)**
 - Section 48(a) of the Internal Revenue Code provides an investment tax credit for solar and other renewable energy property. The amount of ITC available depends on when construction begins.

Beginning of Construction for Purposes of the Renewable Electricity Production Tax Credit and Energy Investment Tax Credit

Notice 2013-29

SECTION 1. PURPOSE

Under the American Taxpayer Relief Act of 2012, Pub. L. No. 112-240, 126 Stat. 2313 (ATRA), a qualified facility (as described in section 45(d) of the Internal Revenue Code) will be eligible to receive the renewable electricity production tax credit (PTC) under section 45, or the energy investment tax credit (ITC) under section 48 in lieu of the PTC, if construction of such facility begins before January 1, 2014. This notice provides guidelines and a safe harbor to determine when construction has begun on such a facility.

Beginning of Construction for the Investment Tax Credit under Section 48

Notice 2018-59

SECTION 1. PURPOSE

On December 18, 2015, the Consolidated Appropriations Act, 2016, Pub. L. No. 114-113, Div. P, Title III, § 303, 129 Stat. 2242, extended and modified the investment tax credit (ITC) under § 48 of the Internal Revenue Code (Code). As modified, § 48 phases down the ITC for solar energy property the construction of which begins after December 31, 2019, and before January 1, 2022, and further limits the amount of the § 48 credit available for solar energy property that is not placed in service before January 1, 2024.
