

# Preparing High Quality Patent Applications

**Daniel Pereira-** Oblon, McClelland, Maier and  
Neustadt, LLP

**Brad Forrest-** Schwegman Lundberg & Woessner, P.A.

## What is a “quality patent”?

- **What is your objective?**
- If your objective is to:
  - **extract value** from your patent
    - License out
    - Settlement
    - Damages
  - **Exclude others from an activity**
    - Settlement
    - Injunction

A “quality patent” is a patent with ...

- **optimized** chances of being found:

**(1) valid**

**(2) enforceable, and**

**(3) Infringed ...**

**in a U.S. District court litigation**

- The standard is **litigation success**

Alternative definition: Complying with all client preferences. A more immediate measure.
