(a) PUBLIC HEALTH SERVICE ACT AMENDMENTS.—

(1) IN GENERAL.—Title XXVII of the Public Health Service Act (42 U.S.C. 300gg et seq.) is amended by adding at the end the following new part:

“PART D—ADDITIONAL COVERAGE PROVISIONS

“SEC. 2799A-1. PREVENTING SURPRISE MEDICAL BILLS.

“(a) COVERAGE OF EMERGENCY SERVICES.—

“(1) IN GENERAL.—If a group health plan, or a health insurance issuer offering group or individual health insurance coverage, provides or covers any benefits with respect to services in an emergency department of a hospital or with respect to emergency services in an independent freestanding emergency department (as defined in paragraph (3)(D)), the plan or issuer shall cover emergency services (as defined in paragraph (3)(C))—

“(A) without the need for any prior authorization determination;

“(B) whether the health care provider furnishing such services is a participating provider or a participating emergency facility, as applicable, with respect to such services;

“(C) in a manner so that, if such services are provided to a participant, beneficiary, or enrollee by a nonparticipating provider or a nonparticipating emergency facility—

“(i) such services will be provided without imposing any requirement under the plan or coverage for prior authorization of services or any limitation on coverage that is more restrictive than the requirements or limitations that apply to emergency services received from participating providers and participating emergency facilities with respect to such plan or coverage, respectively;

“(ii) the cost-sharing requirement is not greater than the requirement that would apply if such services were provided by a participating provider or a participating emergency facility;

“(iii) such cost-sharing requirement is calculated as if the total amount that would have been charged for such services by such participating provider or participating emergency facility were equal to the recognized amount (as defined in paragraph (3)(H)) for such services, plan or coverage, and year;

“(iv) the group health plan or health insurance issuer, respectively—

“(I) not later than 30 calendar days after the bill for such services is transmitted by such provider or facility, sends to the provider or facility, as applicable, an initial payment or notice of denial of payment; and

“(II) pays a total plan or coverage payment directly to such provider or facility, respectively (in accordance, if applicable, with the timing requirement described in subsection (c)(6)) that is, with application of any initial payment under subclause (I), equal to the amount by which the out-of-network rate (as defined in paragraph

(3)(K) for such services exceeds the cost-sharing amount for such services (as determined in accordance with clauses (ii) and (iii)) and year; and

“(v) any cost-sharing payments made by the participant, beneficiary, or enrollee with respect to such emergency services so furnished shall be counted toward any in-network deductible or out-of-pocket maximums applied under the plan or coverage, respectively (and such in-network deductible and out-of-pocket maximums shall be applied) in the same manner as if such cost-sharing payments were made with respect to emergency services furnished by a participating provider or a participating emergency facility; and

“(D) without regard to any other term or condition of such coverage (other than exclusion or coordination of benefits, or an affiliation or waiting period, permitted under section 2704 of this Act, including as incorporated pursuant to section 715 of the Employee Retirement Income Security Act of 1974 and section 9815 of the Internal Revenue Code of 1986, and other than applicable cost-sharing).

“(A) AUDIT PROCESS.—

“(i) IN GENERAL.—Not later than October 1, 2021, the Secretary, in consultation with the Secretary of Labor and the Secretary of the Treasury, shall establish through rulemaking a process, in accordance with clause (ii), under which group health plans and health insurance issuers offering group or individual health insurance coverage are audited by the Secretary or applicable State authority to ensure that—

“(I) such plans and coverage are in compliance with the requirement of applying a qualifying payment amount under this section; and

“(II) such qualifying payment amount so applied satisfies the definition under paragraph (3)(E) with respect to the year involved, including with respect to a group health plan or health insurance issuer described in clause (ii) of such paragraph (3)(E).

“(ii) AUDIT SAMPLES.—Under the process established pursuant to clause (i), the Secretary—
