## TABLE OF CONTENTS

### I. INTRODUCTION

### II. THRESHOLD LEGAL ISSUES IN WRONGFUL DEATH CASES

1. What statute controls?
2. Who are the proper beneficiaries under the statute?
3. What elements of damages can they recover?
4. Is any child a step-child of the decedent? If so, was he adopted? If so, was he legally or equitably adopted?
5. Was the child illegitimate?
6. Is the beneficiary still living?
7. How is mental anguish defined in the jurisdiction?
8. What evidence may/must the jury consider in determining damages for mental anguish?
9. Is a physical manifestation of mental anguish required?
10. What is the relationship between mental anguish damages and other similar elements of damages, such as damages for “loss of society and companionship”?
11. What damages may be recovered?
12. Is evidence of remarriage or dating by a surviving spouse admissible?
13. How is the division of damages determined?
14. How does the status of the decedent’s employer as a worker’s compensation subscriber affect the case?

### III. TEXAS PATTERN JURY CHARGE
