The comment to Rule 1.01, Texas Disciplinary Rules of Professional Conduct, is amended as follows:

Rule 1.01. Competent and Diligent Representation

Comment:

Maintaining Competence

8. Because of the vital role of lawyers in the legal process, each lawyer should strive to become and remain proficient and competent in the practice of law, including the benefits and risks associated with relevant technology. To maintain the requisite knowledge and skill of a competent practitioner, a lawyer should engage in continuing study and education. If a system of peer review has been established, the lawyer should consider making use of it in appropriate circumstances. Isolated instances of faulty conduct or decision should be identified for purposes of additional study or instruction.
