## Why Remedy Matters:

- A win isn't a win unless the judgment correctly spells it out.
- Remedial error can be difficult to fix.
- It doesn't have to be like this.

2

2

## Topics for Today:

Confusion about appellate remedies
Overview of appellate remedies
Court preferences on briefing remedies
Preservation at trial and on appeal
Focus on render vs. remand
Ethics in seeking remedies

## Confusion about remedies:

- Not a focus for law students, judges, or staff attorneys.
- Rules are not overly specific.
- Rules provide no onramp for parties to suggest judgment language or offramp to fix it.
- Parties are not usually focused on remedy until there's a problem.
- Problems arise when the opinion is about to issue.

# Overview of Appellate Remedies:

- TRAP 42-43:  
Intermediate  
Courts of Appeal
- TRAP 46:  
Remittitur
- TRAP 56, 60:  
Supreme Court

- Affirm
- Modify
- Reverse and Render
- Reverse and Remand
- Vacate
- Dismiss
- + “Other appropriate”
- + Remittitur
- + Costs
- + Sanctions?

## Style Tips to Elevate Your Remedy Practice:

- Use your desired relief as a roadmap for your brief.
- If asking for something unusual, find a rule or case to support the request.
- Weave the remedy through your brief so the prayer reads as the inevitable destination.
- Remedy is an excellent topic for oral argument.
