How and when to work with a criminal defense attorney?

- As soon as possible!
 - Ask about pre-trial diversion programs (where pleas are *not* required) early as there are enrollment deadlines
 - Reach out to Padilla experts if you need help identifying possible alternate/safe pleas.
- Set your expectations
 - Reduction or dismissal often not available
 - Non-detained criminal cases move slowly
 - Going to trial can be a very big risk, as Texas has broad sentencing range
