2

Disclaimers

- The information and views presented are those prepared by and of the authors. In particular, they do not necessarily represent the views of the Texas Comptroller of Public Accounts and are not controlling of any taxability determination that may be made by that agency.
- This presentation provides information on general tax issues and is not intended to provide advice on any specific legal matter or factual situation. This information is not intended to create, and receipt of it does not constitute, a lawyer-client relationship. Readers should not act upon this information without seeking professional counsel.
- These slides are designed as shorthand aids to an oral presentation and are not to be used or provided independently.

3
