The KBH Center for Energy Business, Law, and Policy: Our Mission

The KBH Energy Initiative seeks to be the pre-eminent energy initiative at the intersection of energy business, law, and policy. We will pursue this mission by leveraging the resources of the McCombs Business and Law Schools, their alumni, and supporters to expand our knowledge and understanding of this crucial industry; to engage, inform, and connect leaders in that industry, in government, and at UT on core energy issues; to educate and inspire students to be the next generation of leaders; to grow the network and reach of the University of Texas throughout the world of energy.
