Developer's Considerations

- What are the risk factors?
- What will the market allow for in terms of the assessments?
- How long will PID creation and other entitlements take?
- What is the cost of the land?
- What is the cost of public infrastructure?
- What costs cannot be paid by the PID?
- What are the costs of community benefits and PID fees?
- Is the project viable without a PID?
- Are all utilities available (both infrastructure and capacity)?
- What are the political considerations (when is the next election)?
