1

Anatomy of a Deal

- Negotiation and Letter of Intent
 - · Purchase price
 - Payment terms
 - Payment forms (cash, stocks, notes, other securities)
 - Seller financing
 - Contingencies
 - Net Working Capital
 - · Employment agreements
 - Exclusivity periods
 - · Assets, liabilities, and/or shares to be acquired
 - · Anticipated closing date

Anatomy of a Deal

- Quality of Earnings (Financial Due Diligence)
 - A QoE is a prediction of future earnings and cash flows
 - Buyers must understand historical revenues, trends and assumptions used in forecasts
 - Other areas that are examined include quality of the assets, net working capital, accounting policies, debt and debt-like items, proof of cash and revenue, financial controls and reporting, quality of the supply chain, and adequacy of the management team

3

Anatomy of a Deal • Due Diligence • Legal • Human Resources • Compliance • IT • Operations • Insurance

Anatomy of a Deal

Negotiations and Closing

- Purchase Agreement
- Assignment of Leases
- Disclosure Schedules
- Employment/Consulting Agreements
- Assignment of Contracts
