Synopsis: The Trump Presidency will undoubtedly impact how the EEOC pursues its enforcement agenda.

Although it is impossible to predict exactly what changes are in store, we think that it is a good bet that they will be driven by changes in personnel, resources, and substantive and procedural focus.

For at least the first two years of Trump's administration, he will have a Republican majority in both houses of Congress. This has left employers (and our loyal blog readers) wondering how a Trump Presidency will impact the EEOC.

The box made it look so very easy

The *136 page* instructions said it would take “three people two hours”
