

## 2021 Car Crash Seminar

### Negotiating with Insurance Companies: How to Maximize Case Value Through Case Preparation and Presentation of the Demand Package

---

MATTHEW A. RAY  
WARREN KALYAN, PLLC  
AUSTIN, TEXAS

1

## Elements of Good Case Preparation

- Understand the facts of loss
- Investigate aggravating factors and negative facts
- Understand and document the client's injuries
- Practice good case communication

2

## Understand the Facts of Loss

---

- Review the car accident with the client
- Gather evidence from law enforcement agencies
- Get witness statements early
- Secure evidence from the defendant
- Identify all sources of recovery

## Investigate Aggravating Factors and Negative Facts

---

- Proving gross negligence
- Identify violations specific to commercial vehicles
- Investigate the defendant's background

## Understand the Injuries

---

- Document symptoms and the course of treatment
- Order the client's medical records
- Educate yourself about an injury

## Communications with the Client

---

- Build a rapport with clients
- Steer clients to appropriate medical providers
- Advise clients on paying for treatment
- Prevent self-sabotage
