

Greenlake Energy

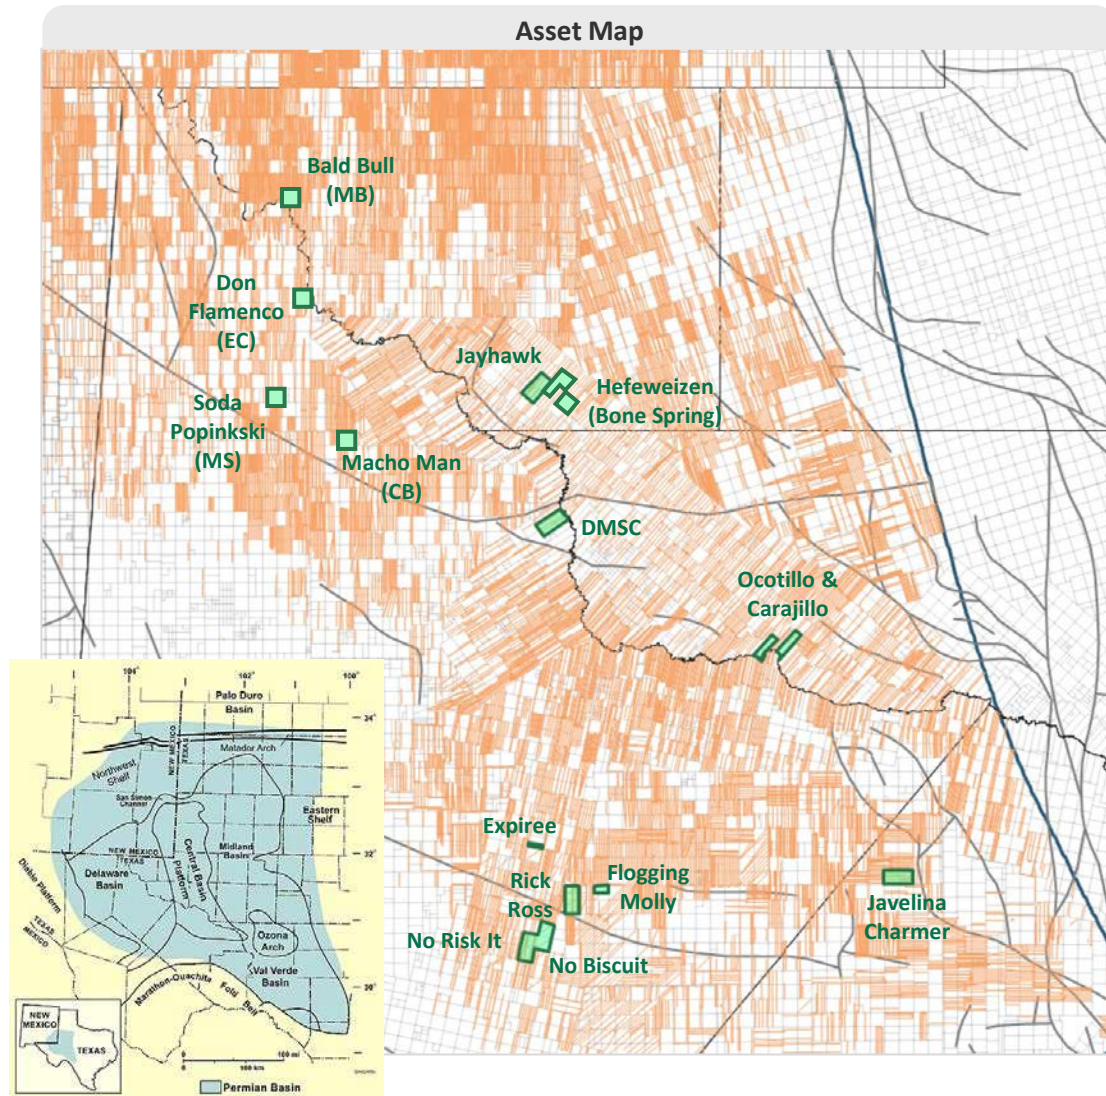

Energy to Move the World

Cube Development Considerations in a Stacked Pay World

Ernest E. Smith Oil, Gas and Mineral Law Institute April 4, 2024

Greenlake Locator Map and Production

- Founded July 2021
- First Drilling January 2022
- First Production October 2022

Its all about Stimulation!

- We want to safely and efficiently recover all hydrocarbons in place in a lease
- *SRV = Stimulated Rock Volume*
