ZONING APPEALS

Changes in the zoning of a particular tract or area

- ❖ a landowner appeals a denial
- ❖ a neighbor appeals a grant

Changes in zoning regulations

- ❖ rarely the subject of litigation
- ❖ maybe not a zoning case at all

EXHAUSTION OF REMEDIES

Zoning Commission (aka Plan Commission)

- ❖ no statutory power to change zoning
- ❖ therefore a challenge to the commission's decision is not ripe
- ❖ its power is nevertheless greater than that of an advisory commission
- ❖ It is subject to the Texas Open Meetings Act
