Antitrust Update: Practical Guidance for Navigating Evolving Risks

Competition issues are subject to intensifying scrutiny. Not only are lawmakers proposing legislation to expand the scope of antitrust laws, the administration is extending the reach of current law under a Whole-of-Government policy that regulatory agencies are implementing through the issuance of updated rules and guidelines. Learn about the issues that are at the center of government concern and how to counsel your company to avoid the risks associated with them, including anti-poaching, non-compete restrictions, information-sharing, anticompetitive conduct (and monopolization) and acquisitions.

Requests from on High: Keeping In-House Counsel Out of Hot Water

One of internal counsel's many functions is to avert problems for their employers. But sometimes in keeping their client away from the fire, they risk being singed. These concerns implicate challenging attorney-client privilege issues, clarity in communicating to employees and management who they represent, educating others about how to maintain confidentiality, engaging the right counsel and consultants for the proper purposes, and knowing when to stay away from direct interaction in depositions, mediations and regulator meetings and interactions, or when to interact directly.
