Voir Dire: Expanding the Strike Zone

Hon. Randy Wilson 157th Dist. Court

The PI Auto Voir Dire

- Typically abbreviated time
- Need to efficiently ask your questions
- So don't go through the old hackneyed process of going down the row and trying to think of something to talk about to each juror

The Biggest Mistakes I See

- Omitting critical questions
- Asking the wrong side's questions
- Arguing your case

Must Cover Certain Issues— Background Facts

- Know the parties, lawyers, other jurors?
- Know the witnesses, experts, doctors?
- Know the intersection?
- Who has sued or been sued?
- Tort reform? Too many lawsuits?
- Jurors and immediate family with legal experience
- Jurors and immediate family with medical experience
- Be sure and cover retired and unemployed jurors
