LANDSCAPE: 2019

Office of the Comptroller of the Currency (“OCC”)

- Audits up to 3-4 times/year
- New regulations/guidelines and areas of emphasis every year
- SNTs now = “high risk” accounts
- “Too-big-to-fail” -> lower tier nationally chartered -> state chartered

Dodd-Frank Wall Street Reform & Consumer Protection Act

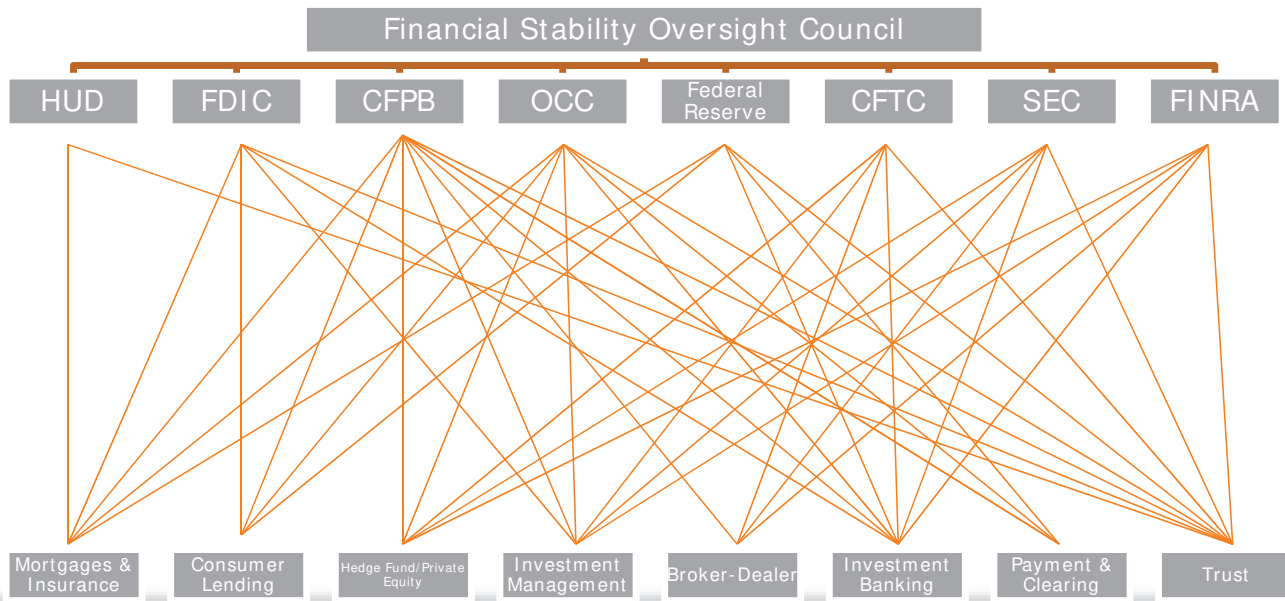

- Effective July 21, 2010 with new reforms/controls/agencies every year thereafter
- Biggest changes in financial regulation since Great Depression
- Large bank trust officers now spend majority of their time on compliance related tasks
- July 29, 2015 CNN report: before 2008, over 100 banks on average opened every year; since 2010, 3 bank openings. 465 banks have failed in same time period; in the five years prior to 2008, only 10 banks total failed.

LANDSCAPE: 2019

Consumer Financial Protection Bureau

- CFPB tasked with consumer protection and has jurisdiction over banks, credit unions, securities firms, lenders, debt collectors and “**other financial professionals**”
- June 18, 2013 press release - House Financial Services Committee:
 - 2013 = budget of \$541 million and increased staff to more than 1,200 “with no oversight from Congress, the President or the Federal Reserve”
 - “[...] lack of accountability to both Congress and the administration for an agency run by a single director creates enormous risk of abuse through the broad discretion enabled by the CFPB’s Civil Penalty Fund”

FINANCIAL REGULATORY STRUCTURE

Being A Trustee

Trustee Duties

- Secure and protect trust assets
- Loyalty & impartiality
- Compliance with trust document terms/settlor intent
- Accountings & statement production
- Discretionary distributions
- Investment of trust corpus
- Making all trust property productive
- Taxes (Tax Cuts & Jobs Act of 2017)
- Compliance: ***federal vs. state vs. county***
