We are from the government and we are here to help you...Restrictions on local authority

- Texas Local Government Code Chapter 284
- The FCC Small Cell Order a.k.a. *Accelerating Wireless Broadband Deployment by Removing Barriers to Infrastructure Investment*; *Accelerating Wireline Broadband Deployment by Removing Barriers to Infrastructure Investment* FCC 18-133 combining WT Docket No. 17-79 and WC Docket No. 17-84
- Declaratory Ruling & Third Report And Order–Sept. 27, 2018

The State of Texas

## LGC Chapter 284

- Chapter 284 of the Local Government Code - effective Sept. 1, 2017.
- Allows network nodes to be in the right-of-way without a grant of authority from the local government.

## Let's Review - What is a Network Node?

- From Chapter 284:

"Network node" means equipment at a fixed location that enables wireless communications between user equipment and a communications network and **includes**:
