

TECHNOLOGY: BIG PICTURE, MY PICTURE, NEXT PICTURE

Got the Big Picture,
Even changed my desk;
Still pound'n the keyboard,
What could be next?

You tell me, You poke me,
You point me to change;
I'm still in the saddle,
Ride'n and TAKE'N AIM.

Take-away: corporate legal departments are hyper-focused on

- technology (and the companion: process management)
- controlling costs (alternative fee arrangements, engaging legal service providers [not law firms], etc.)
