1

2

- "A child whose parent was negligently killed by the tortfeasor, and who lost his sole means of support and whatever guidance and comfort a parent might provide, had no cause of action at all, with the result that from the defendant's point of view it was cheaper to kill a person than to scratch him."
- *Prosser & Keeton on Torts*

3

Lord Campbell's Act

4

Threshold Legal Issues in Wrongful Death Cases

5

- 1. What statute controls?
- 2. Who are the proper beneficiaries under the statute?

6
