STABLE. COMPREHENSIVE. COST-EFFECTIVE.

2022 State of Mental Health in America Report

The Access Ranking indicates how much access to mental health care exists within a state. The access measures include access to insurance, access to treatment, quality and cost of insurance, access to special education, and mental health workforce availability. A high Access Ranking (1-13) indicates that a state provides relatively more access to insurance and mental health treatment.
