Representations & Warranties Insurance

Overview

R&W Basics

Protects against financial losses from breaches of representations and warranties given by sellers and/or target company.

Most policies (over 99%) are **Buy-side policies** – provides buyer with indemnification protection while allowing sellers to exit with minimal escrows/indemnity obligations.

Underwriting based on review of buyer's due diligence process.

Buyer policies cover seller fraud – subrogation waived against sellers except for fraud.

Covers breaches of Representations & Warranties for up to six (6) years post-closing.

Premium: One-time payment, typically in the range of 2.40% - 2.80% of limits insured (e.g., \$240,000-\$280,000 for a \$10 million limit) in the U.S. market (lower pricing in European market).

Retention: Typically, minimum 0.50% of purchase price/enterprise value subject to carrier 'minimum requirements'; lower for larger (i.e. >\$250M) or competitive deals

Retention funded either by a combination of the buyer deductible and seller indemnity (in acquisition agreement) or is entirely buyer funded. Typically reduces to match buyer deductible amount 12-18 months after closing (0.5% to 1% of enterprise value).

Public company-style/no-seller indemnity structures are also most common.
