The screenshot shows the Copyright.gov website page for "Copyright and Artificial Intelligence". The page features a navigation bar with links for "About", "News", "Opportunities", "Help", and "Contact", along with a search bar. Below the navigation bar, there are dropdown menus for "Law & Policy", "Registration", "Recordation", "Licensing", and "Research". The main content area includes a header "Copyright and Artificial Intelligence" and a sub-header "Home / Copyright and Artificial Intelligence". A large image shows hands typing on a laptop keyboard with a digital background. The page contains several sections: "Copyright Registration Guidance" (with a link to the guidance document), "Related Resources" (with links to the Compendium of U.S. Copyright Office Practices, Statements to Congress, Review Board, USCO Guidance Letter to the MLC, USPTO on Artificial Intelligence, and WIPO on Artificial Intelligence), "Announcements" (with a link to the March 16, 2023 announcement), "Upcoming Events" (with a link to the June 28, 2023 event), "Past Events" (with links to various listening sessions from May 2023 to Winter 2020), and "Past Announcements". A dark blue button with the text "copyright.gov/ai" is located at the bottom right of the page.
